

Calling all artists!

The Grimmway Gazette is proud to announce its first art contest!

The theme for this contest is “Growth Mindset”

You may have heard your teachers talking about “Growth Mindset” at some point this year. “Growth Mindset” is a positive way of looking at the world and believing that we can all change and grow--no matter how hard things seem. We can all do better (and *be* better!) if we never stop trying to improve.

Think about what “Growth Mindset” means to you and make it into a work of art! The winning design will be printed on T-shirts that will be on sale for both staff and students.

For this contest, you may submit visual art such as drawings and paintings (don’t worry, creative writers: the next Creative Corner Contest will be for you!).

To enter the contest, please bring your artwork to Ms. Kirk in room 25. Make sure to include your **NAME, GRADE,** and **ADVISORY TEACHER** on the back of your artwork.

Good Luck!
